ACT Aspire (Grades 8, 9, and 10)

Important Update Regarding the Spring 2016 ACT Aspire Administration for Grades 8, 9, and 10

THE GRADE 8 ACT ASPIRE ASSESSMENT IS NO LONGER REQUIRED FOR STRIVE HI ACCOUNTABILITY PURPOSES. Therefore, beginning SY 2015-16, the administration of the ACT Aspire assessment in grades 8, 9, and 10 is optional for secondary public and public charter schools. Schools that choose to administer the ACT Aspire are required to administer the assessment grade-level wide for each grade tested. Principals are encouraged to discuss their decision to administer the ACT Aspire assessment with their Complex Area Superintendent since the value of the ACT assessments are, in part, to promote a K-12 approach to college and career readiness. The Department will cover the costs to administer these assessments. Each secondary school test coordinator is required to notify the Assessment Section of the school's decision to administer the ACT Aspire assessments by contacting Kuaanaai Lewis at 808-733-4100 or via Lotus Notes email.
