Smarter Balanced

1. Digital Library

Smarter Balanced is recruiting teachers and/or schools that have successfully used the Smarter Balanced Digital Library in the following ways: 1) to locate resources through the Connections Playlist after administering the Interim Assessment Blocks; 2) for Professional Development Resources for whole school professional development activities or PLCs; and/or 3) for instructional resources to enhance the classroom formative process. Smarter Balanced will be creating a three minute video for each member state to be used to spread the word about how the Digital Library is used. Interested schools or teachers that meet the description above should contact Carol Anton at carol_anton@notes.k12.hi.us for additional information.
