Follow-up on this decision-making meeting by documenting any selected state test accommodations in the student's IEP or 504 record, which is stored in the <u>electronic Comprehensive Student Support System</u> (eCSSS). Refer to the <u>eCSSS Directions</u> for documenting evidence to support the need for state test accommodations.

If the IEP/504 team makes the decision to recommend the SC state test accommodation for a student, then the School Testing Coordinator (TC) should consult the "Hawaii State Test Accommodations Identification and Request Process for Test Coordinators and School Assessment Teams" document available in the <u>Accessibility and Accommodations</u> resources folder on the <u>AlohaHSAP.org</u> portal website for guidance to submit state test accommodation requests.

In addition to the documented evidence in the IEPs/504 plans and the consultations with the Exceptional Support Branch and the Office of Curriculum and Instructional Design, the Assessment Section verifies state test accommodations in accordance with the *Individuals with Disabilities Education Act* (IDEA). As stated in 34 CFR §300.160(b)(2):

The State's guidelines must identify only those accommodations for each assessment that do not invalidate the score; and instruct IEP teams to select, for each assessment, only those accommodations that do not invalidate the score.

The Assessment Section recommends that <u>state test accommodation verification requests</u> be submitted one month prior to the opening of the test window. <u>In all cases, state test accommodation requests</u> <u>should be submitted to the Assessment Section no later than 14 days prior to state (interim or</u> <u>summative) testing.</u>

If you have any questions, please email Elaine Lee at <u>Elaine.Lee@k12.hi.us</u> or call the HIDOE Assessment Section at (808) 307-3636.
